CUSTOM 3-CAR GARAGES

CHOOSE THE SIZE OF GARAGE YOU WOULD LIKE TO HAVE. THESE 3-CAR GARAGE SIZES ARE BETWEEN 32'X20' TO 40'X28'. IF WE DO NOT HAVE THE SIZE YOU WANT, PLEASE LET US KNOW AND WE CAN CREATE ONE FOR YOU.

- You can move the man door or window to a different location on the garage.
- You can remove or add more windows to the garage. There will be a change in the package cost.
- These garages already have a 16'x7' and 8'x7' garage door openings. You can go to a larger size if you would like to. Garage door by owner, not in package cost.
- The garage door is in the center of the building when you go to the larger sizes. We can move the garage door off to one side if need be. Please keep the door 2' off the corner.
- These garages have a truss roof system. We can go to a rafter roof system if you would prefer. There will be a 20% price increase in package cost for a rafter roof system.

IF WE DO NOT HAVE YOUR SIZE, TELL US WHAT YOU WANT!
